

MASSACHUSETTS OVERDOSE PREVENTION HELPLINE

☎ | 1-800-972-0590

HOW IT WORKS

Our volunteer operators will ask you for your exact location and the phone number you're calling from before you use.

If during the course of the call you stop responding, we will get you help either through a predetermined responder or by notifying your local Emergency Medical Services.

WE PROVIDE

- 1 Confidentiality
- 2 Connection
- 3 Harm Reduction Resources
